Chris Cooke Testimonial Lunch

The Balconiers Committee take pleasure in inviting all admirers of Chris Cooke's twelve-year plus career representing Glamorgan County Cricket Club to his testimonial Lunch.

There isn't such an allrounder since Robert Croft that has given the Welsh County such an unblemished twelve-year service in all formats of the game. His up-to-date figures speak for themselves: 13,156 runs; 579 catches and 40 stumpings. He and his selected charities (Professional Cricketers' Trust & NSPCC) deserve all our support. The event will include a video presentation of his career produced by Paul Sussex.
